

## SOKOINE MEMORIAL WEEK

From May 23 to 26, 2023, Sokoine University of Agriculture hosted the Sokoine Memorial Exhibition Week, an event that showcased a wide range of innovations and technologies. This commemoration attracted a diverse array of participants, including esteemed academicians, researchers, agricultural partners, politicians, graduates, and students. The event featured a series of engaging activities, encompassing (i) technology exhibition, (ii) a scientific conference, (iii) a high-profile panel discussion, (iv) hospital and community services, and (v) sports and games.
